2009 North American Missions Offering

The North American Baptist Fellowship is one of six regional fellowships that are part of the Baptist World Alliance. David Goatley is the President of the North American Baptist Fellowship. The NABF is comprised of more than 20 million Baptists across America and Canada. The Baptist General Convention of Missouri became a member of the North American Baptist Fellowship in January of 2006. We are grateful for the opportunity to partner with our Baptist brothers and sisters in North America for the cause of Christ. The offices of the NABF are located in Falls Church, Virginia.
